

WHAT MAKES OUR "HOME SWEET HOME"

WORDS FROM THE SELLER

ADDRESS: 32 Orchard Dr, Stow

YOUR RESPONSES TO THE FOLLOWING QUESTIONS WILL SUPPLEMENT OUR MARKETING MATERIALS I.E. AS QUOTES ON OUR PROPERTY BROCHURES, PRINTED IN OUR OPEN HOUSE PROPERTY BOOKS, ETC. YOUR INPUT IS PRICELESS! THANK YOU SO MUCH!

WHAT ROOM OR SPOT IN YOUR HOME WILL YOU MISS THE MOST AND WHY?

We will miss the open flow of our downstairs the most. I love being able to make dinner and chat with my kids or watch them play.

I will also miss the large bedrooms that have afforded us so much more living space. Our master bedroom in particular has been wonderful. Because of its size we didn't need to use another space for a home office or workout space.

WHAT IS YOUR FAVORITE MEMORY (I.E. FAMILY GATHERING, HOLIDAY, ETC.) IN YOUR HOME?

We love hosting summer BBQs! Our back porch and backyard are wonderful spaces to host a large gathering. It is so private that we often forget that we live in a condo association when we are there. The kids can run around on the grass and the adults can sit on the porch and relax while keeping an eye on the kiddos.

WHEN YOU NEED A CUP OF SUGAR...WHAT WILL YOU MISS ABOUT THE NEIGHBORHOOD?

Halloween in the Villages is our family favorite! We love how our neighbors get into the festive spirit with Halloween decorations. There are so many families in the area that the street is bustling with kids running around and we always end the night sitting on the front porch handing out candy and people watching!

WHAT MAKES OUR "HOME SWEET HOME"

WORDS FROM THE SELLER

WHAT MAKES WHERE YOU LIVE SO SPECIAL (TOWN/COMMUNITY)?

I have lived in Stow almost my whole life. What I love about Stow is the people. Friendly, and always ready to lend a hand, our community will be the hardest part of leaving! The town is small enough that the kids know every child in their grade by name and parents in the community are genuinely interested in fostering a home-town community feel.

WHERE DO YOU HANG OUT THE MOST?(COFFEES SHOP, NATURE HIKE, PLAYGROUND, ETC.)?

Our favorite season is Fall! We love fall in Stow because of the apple orchards like Honey Pot, Shelburne, and Carver Hill. Nan's is an amazing lunch and coffee shop that we frequent, and there is a small playground nearby where we sometimes take our lunches to have a picnic and play. There are great soccer and baseball fields and Delaney is an amazing place to go for family-friendly hikes.

WHAT DREW YOU TO BUY THIS HOUSE _____ YEARS AGO?

We moved to 32 Orchard 5 years ago. We fell in love with the house itself, but also the neighborhood. There aren't many places in Stow that have side walks and places for kids to play. We loved how safe and cozy the neighborhood felt - and still do! We will miss it!
