Certificate of Completion

Re. 32 Whitcomb Lane
Lancaster MA 01523

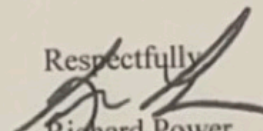

To Whom It May Concern,

01JUL14

This Certificate of Completion confirms that the required Mold Remediation Project in the attic of the above listed address was completed according to the Environmental Protection Agency's Guidelines. (This includes but is not limited to demo, aggressive air scrubbing utilizing air machines, HEPA Vac cleanup, a bio-wash and the application of an anti-mold encapsulant.) This mold remediation project comes with a ten year guaranty transferable to the buyers as of the closing date. All documentation has been compiled in a "Buyers Binder, and was presented to the Sellers at the time of completion.
Payment for this project is paid in full.

Thank you for your cooperation and please feel free to call me with any questions or concerns that either your or your clients may have.

Respectfully

Richard Power
President
